

2018 FAWCO Foundation Education Awards

ACADEMIC AWARDS - For children of FAWCO and FAUSA members

Arts Award

One award available

\$4,000

For undergraduate or graduate study in the history, theory and/or practice of the performing arts, visual arts, film and media arts, architecture or graphic arts.

Sciences Award

One award available

\$4,000

Sponsored in part by AIWC Genoa, in memory of Frieda Bacigalupo Nataili

For undergraduate or graduate study of scientific subjects (e.g., biology, chemistry), mathematics, medicine, engineering, environmental studies, computer science, economics or business administration.

Humanities Awards

Two awards available

\$4,000 each

These awards are for undergraduate or graduate study in fields including, but not limited to, education, law, social studies, history and languages.

Due to the generosity in sponsorship, there are two awards available which will be given to the two highest-ranked applicants.

Humanities Award, *sponsored in part by AAWE Paris, in memory of Gertrude de Gallaix*

Caroline Newton Humanities Award

DUAL CULTURAL AWARD - For children and grandchildren of FAWCO members

One award available \$4,000

Sponsored in part by the AWC Bern and Donna Erismann, in memory of Suzanne Erismann

This award may be used to attend a semester or year of American high school or an academic or structured educational summer program in the United States.

MEMBER AWARDS - For FAWCO and FAUSA members

These awards recognize the diverse lives of our members, their achievements and their never-ending quest for knowledge and self-improvement.

FAUSA Skills Enhancement Award

One award available

\$4,000

This award is for acquiring new skills or enhancing already existing ones and will allow a FAWCO or FAUSA member to become more capable, competent and confident by acquiring the skills to improve performance in any given field.

Women in STEM

One award available

\$4,000

In honor of AWA Dubai's 21 years serving the International Community in Dubai

This award is for the study of STEM disciplines, including the study of chemistry, computer and information technology science, engineering, geosciences, life sciences, mathematical sciences, physics and astronomy.

AWC Hamburg Continuing Education Award

One award available

\$4,000

In honor of the 60th Anniversary of the American Women's Club of Hamburg, this award is for a FAWCO or FAUSA member to further their education at university or an equivalent level through courses, workshops, and certificate programs. Subjects can encompass all areas of interest—*inter alia*, journalism, writing, the arts, and philanthropy - excluding science, technology, engineering and mathematics (STEM) subjects.
