### Guidelines for Sponsoring a FAWCO Foundation's Development Grant

The purpose of The FAWCO Foundation Development Grants is to fund projects that can make an immediate impact on and lead to success for the people that they support. The FAWCO Foundation Development Grants Fund reflects the passions and interests of FAWCO Member organizations. Every year, each club may nominate two charitable projects that they have been supporting for at least a year. **The grant categories are aligned to the UN Millennium Goals.** The FAWCO Foundation annually offers between 6-8 grants and each grant is usually \$4,500.

There are four Development Grant categories: Health, Education, The Environment, and Human Rights. There are two Development Grants offered in each category. All Development Grants are currently \$4,500 each.

#### How Your Club Can Sponsor a FAWCO Foundation Development Grant

**A Full, "Headline" Development Grant donation** fully funds the Grant. If your club underwrites a Grant in its entirety, the name of the club appears as follows:

##### **The American Women's Club of Wherever (Grant name) Development Grant**

The donation should be made by the summer to be considered eligible as a sponsor for a Development Grant for the following year. Your club's sponsorship is not finalized until The Foundation Treasurer receives the **full** donation by the end of the fiscal year.

**A club may "sponsor in part" Development Grant for a minimum of \$1,000 donation.** Your club's name will appear on the Grant for the following year. If your club partially funds a Grant, the name of the club appears as follows:

##### **The (Grant name) sponsored in part by the American Women's Club of Wherever**

The donation should be made by the summer to be considered eligible as a sponsor for a Development Grant for the following year. Your club's sponsorship is not finalized until The Foundation Treasurer receives the **minimum \$1,000** donation by the end of the fiscal year. If a Grant is not fully funded, The FAWCO Foundation may offer other clubs making the minimum donation the option to co-sponsor the Grant. In this case, the name will appear as follows:

##### **The (Grant name) Co-sponsored in part by the American Women's Club of Wherever and the American Women's Club of Another Place**

All of the above guidelines for co-sponsored Grants apply.
